

# WHEEL OF LIFE

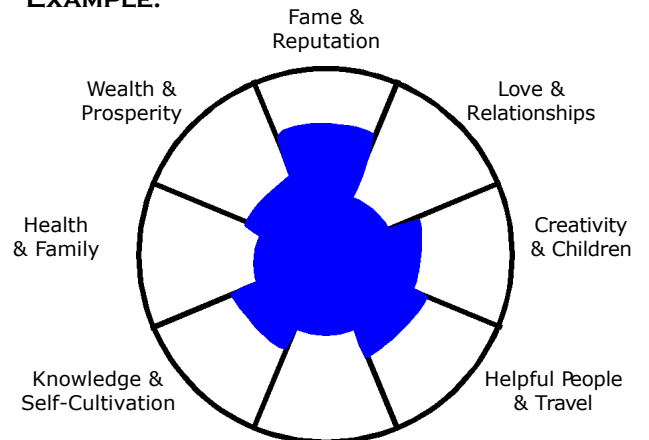

**DIRECTIONS:**

Prosperity, joy and well-being come from the harmony achieved when all areas of your life are in order.

One area out of balance, will affect all others. How satisfied are you with each aspect of your life? Print out this wheel. On a scale of 0 to 10, with 10 representing total satisfaction, draw a curved line in each segment (see example). 0 is at the center of the Wheel, and 10 on the outside rim. This new perimeter of the circle represents your Wheel of Life.

How bumpy would the ride be if this were a real wheel?
